

# Stomach cancer patients, nurses and surgeons!

We are looking for **patients, cancer nurses and surgeons** to participate in an international online survey.

We are asking participants to help decide the **most important outcomes** to report in future **surgical trials for gastric cancer**. In particular, we are looking for:

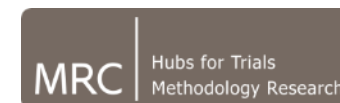

- **Patients** who have undergone or are due to undergo surgery for stomach cancer
- **Nurses** who care for patients with stomach cancer
- **Surgeons** who undertake surgery for stomach cancer

For more information about the study and how to take part, please visit
